

# Durham Cycling Custom Softshell Jacket CJS5 Pro

Our CJS5 Pro Softshell Jackets are the perfect for cycling in the autumn, winter and spring - The wind resistant fabric, and micro fleece interior ensure that you can wear it comfortably while doing riding in temperatures between -10 and +10 Degree Celsius. Elastic and functional side panel inserts allow for maximum temperature regulation and snug fit, where the elongated back panels ensures an improved fit when in an aggressive cycling posture.

## Product Description:

- Two Zipper Pockets - one on each side
- Interior Pockets
- Elastic Side Panels
- Reflectors on Each Arm
- Draw String around the Waist

## Price

\$180-190
